

«WHAT NATIONAL NETWORKS TO FIGHT AGAINST MATCH-FIXING?»

National seminars in EU countries to mobilize the sports administrators for the protection of sports integrity

3 OBJECTIVES:

- ☞ **Raise awareness and inform the sport authorities** about the risks linked to sports betting and match-fixing and about measures that can be implemented to protect sports integrity.
- ☞ **Receive information** about national contexts and existing initiatives in every country, in order to identify and compare good practices, and prepare possible future harmonized policies at EU level.
- ☞ **Create a plate-form** for a national dialogue with all relevant stakeholders: sports authorities, law-enforcement, and the betting sector.

PARTICIPANTS:

- > Sports Ministries
- > National Olympic Committees and Sports confederations
- > Sports federations
- > Players and referees unions
- > Police representatives and prosecutors
- > Betting regulation authorities
- > National betting companies

PROGRAM FOR EACH SEMINAR:

- > Do we have a problem about match-fixing?
- > What is the problem?
- > How to deal with match-fixing?
