MEDIA

PUBLICATIONS

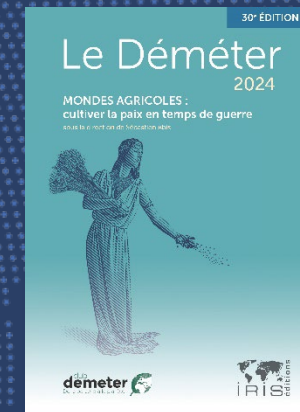

L'ANNÉE STRATÉGIQUE

- Yearbook on international issues that have marked the past year.
- Major trends in international political life, economic, diplomatic, military and strategic issues in major geographical areas.
- For a wide audience.

LA REVUE INTERNATIONALE ET STRATÉGIQUE

- 4 issues per year to report on the major debates on the international scene.
- Insights on selected topics, a dossier under the direction of one or more specialists, book reviews.
- Available in print, ebook and by the article on Cairn.

LE DÉMÉTÉR

- The reference book on the strategic issues of agriculture and food.
- It places agricultural and food issues at the heart of geopolitical challenges and major innovations that are already shaking up the planet.

EVENTS

CONFERENCES - COLLOQUIUMS

Three major events are organised each year by IRIS :

- *Les Géopolitiques de Nantes*
- *Les Internationales de Dijon*
- *Les entretiens européens d'Enghien*

IRIS'S DEBATES

Conference-debates organised in IRIS auditorium and/or by videoconference on current international issues or in the occasion of a book publication. They can be organised in partnership with public or private organisations.

SEMINARS

Restricted or bilateral meetings between political and economic leaders and international experts.

CUSTOMIZED EVENTS

IRIS offers its expertise, network and know-how in the organisation of events to public and private sponsors for the organisation of various restricted or general public events.

IRIS, a public utility association, is one of the main French think tank specialised on geopolitical and strategic issues. It distinguishes itself by its unique ability to bring together a research center and a school (IRIS Sup') which delivers diplomas. This model contributes to its national and international attractiveness. IRIS is organised around four activity units: research, publication, organization of events and training.
